COUSINEAU • MALONE

As we celebrate the 75th Anniversary of the Cousineau firm, we are pleased to announce that six of our attorneys have been selected to the 2023 Minnesota Super Lawyers list and one to Rising Stars\*.

Our firm is now Cousineau Malone, P.A., and while our name and logo are new, the firm's commitment to enduring relationships, effective legal representation, effective legal solutions and integrity of services remains as strong as it did when the firm was established in 1948.
